

Linking Devices “higgledy-piggledy”

because in my opinion that's why unless some experts say
 although so so as to as a matter of fact consequently
 as a result unlike providing that to besides due to however
 it has been argued that in contrast to nonetheless in spite of
 as I see it on account of many argue that on the one hand provided that but
 in consequence according to me in addition indeed contrary to
 there is no denying that, but... despite I personally believe that owing to as long as
 certainly, but... if (not) even though so that on the other hand
 experts claim that it seems to me that finally nevertheless in order to
 as a consequence in point of fact I think furthermore first(ly)
 XY contends that ... and yet I expect because of of course..., but ...
 last (but not least) actually what is more for , it is true, but ...
